-----------------------	-----------	----------

PAYMENT OF SCHOOL FEES (Kindergarten to U6)

In order that a fair and equitable system operates for the payment of school fees, it is necessary to make a charge in respect of fees paid late.

Parents are reminded that fees are due and payable on the first day of term. We welcome payment by direct credit (via Internet or Telephone Banking) or alternatively by cheque or credit card. A full term's notice in writing is required to terminate a school contract.

Direct Debiting is offered as an alternative method of paying school fees and regular extended day fees. This is free of charge for parents paying by a single direct debit at the beginning of term. A small charge of £6.00 per month is made for monthly payments commencing one month prior to the start of term.

If you are interested in using the Direct Debit Scheme, please contact the Accounts department for a direct debit mandate

A full term's notice in writing is required to terminate a school contract.

EXTRAS
