

Highclare School

BEHAVIOUR POLICY

This policy applies to all sections of the school including EYFS, TOPS and Pre-Prep Holiday Care Groups and is available to all parents and prospective parents on the website and from the school office on request.

This policy has been drawn up with assistance from guidance issued by the Department for Education (DfE), *Behaviour in School: Advice for Headteachers and School Staff*. Highclare School is committed to providing a caring, stimulating and secure environment in which staff and pupils can work and play safely. This ethos is consistent with two of the School's aims:

- To motivate each learner to achieve his/her full all round potential
- To develop the values of self-respect and self-discipline, alongside tolerance and respect for others and the environment.

Aims of this Policy

- To encourage pupils to behave appropriately in any given circumstance.
- To ensure that a high standard of behaviour is maintained in accordance with the School's Codes of Conduct (*appended at end of policy*)
- To encourage pupils to be responsible, honest and caring.
- To acknowledge that the maintaining of good behaviour within the school is a shared responsibility
- To ensure that all staff are consistent in their application of the School's rewards and sanctions procedures
- To ensure, so far as possible, that every student in this School is able to benefit from and make his/her full contribution to the life of the School, consistent always with the needs of the School community.
- To comply with the School's duties under the Equality Act 2010 and the Human Rights Act 1998.

School behaviour protocol

The Highclare Codes of Conduct shall be set by the Head and senior leadership team (SLT) and determine the principles of the School in relation to:

- Conduct and behaviour;
- Self-respect and respect for others;
- Respect for property and the environment.

The Code is necessary for the safety and well-being of everyone at the School, for the reputation of the School community as a whole and for the protection of School property and the wider environment. The relevant Code of Conduct applies to all age groups and at all times when the student is:

- At school, representing the School or wearing school uniform;
- Travelling to and from School;
- Associated with the School at any time.

Parents will be expected to read the relevant Code of Conduct (see Appendices 1 – 4) with their children from time to time. Its principles will be reinforced at assemblies and at other times.

Specific legal requirements

Staff will not administer corporal punishment to a child and shall ensure that corporal punishment is not given to any such child by:

- any person who cares for, or who is in regular contact with, children;
- any person working on the premises.

Staff will not threaten corporal punishment, nor use or threaten any form of punishment which could have an adverse impact on the child's well-being.

Role of Staff

All staff support the School ethos of praise and encouragement to promote positive attitudes by using praise as a priority and wherever applicable. The School acknowledges that effective teaching and learning can only take place in a well-ordered environment. Promoting positive behaviour requires the commitment of all staff and pupils and consistency of practice is needed across the whole school to ensure that pupils know the standards of behaviour expected of them.

REWARDS

Highclare School rewards positive behaviour, as it believes that this will develop an ethos of kindness and co-operation. This policy is designed to promote and acknowledge positive behaviour rather than merely deter anti-social behaviour. Rewards have a motivational role in helping pupils to realise that positive effort and behaviour are valued. The reward system, which is age appropriate, is clearly outlined below:

EYFS REWARDS

Positive reward and encouragement for the children of this age underpins the curriculum and ethos in our Early Years Department.

The children are rewarded for good work and behaviour which relates directly to the School Aims.

In addition a weekly merit is awarded to a member of each class in the EYFS merit assembly. Star charts may be used where appropriate.

KS1 and KS2 REWARDS

GOLDEN TIME:

This is a very popular attainment tool in KS1. Every Friday afternoon, the children are all given 25 minutes 'Golden Time' where they can experience free play within the classroom. It is up to the children as individuals and as a class to ensure that their 'Golden Time' remains intact. Golden time can be earned and lost through behavior and conduct during lunchtimes. Lunch time supervisors will inform class teachers as to whether children have lost or gained any extra time back, at the end of lunchtimes. It is the class teacher's responsibility to inform parents if 'Golden Time' is being lost.

FORM CAPTAIN

Form Captains are in place from Reception to Yr2 and will be changed on a weekly basis.

GOING FOR GOLD BEHAVIOUR SCHEME:

The 'Going for Gold' behaviour scheme is designed to re-enforce positive behaviour and learning behaviour in and around school. The scheme has 5 levels: Red, Amber, Green, Silver and Gold. Each day every child starts on Green regardless of what has happened the day before. Positive learning behaviour will be rewarded by moving the child up to Silver. Behaviour that continues to be positive will be rewarded by moving up to Gold.

Alternatively, if poor choices are made by the pupil and behaviour has been deemed to be unacceptable after verbal warnings, children can be moved on to Amber. Consistent poor choices and behaviour will lead to Red. If a child is on Red there are further sanctions. Children who go on to red will miss part of their lunchtimes by attending lunchtime time-out. Time-out will be manned by a staff member and children will be escorted to the teacher's room. There will be a book to record names of children who have attended and the reason why. Where possible the member of staff needs to communicate verbally with parents, in person or over the phone, the reason why the child has moved on to red. If it is not possible for this member of staff to do so, they need to give explicit details to the form tutor so they can inform parents.

+3	Scores will be tracked weekly and house points given out on Friday relating to the number of points scored that week. Children will never lose house points. If they have a weekly total of -2, they will not lose any house points they will just not receive any. A termly total will be set at the start of the term. The pupils who achieve this total will receive an extra reward at the end of the term in the form of a Going for Gold afternoon.
+2	
+1	
0	Scores can be tracked for trends and any cause for concern should be discussed with senior staff and parents. The Going for Gold chart must be displayed in all classrooms.
-1	

MERIT ASSEMBLY

Each week there is an award assembly for Rec – Yr6 during which certificates are given out. From Pre-Prep to Yr6 one child from each class is awarded a weekly merit. Staff select the child on progress made in lessons, attitude to school, effort and behaviour.

The children's names are printed in the weekly newsletter. Staff endeavour to ensure that over the year all children receive a merit award for some aspect of school life, although this is not guaranteed.

SANCTIONS

Discipline is seen to be the responsibility of all staff and pupils, whether in the classroom or generally around the school. Incidents of poor behaviour should never be ignored but should be dealt with immediately where possible.

When a pupil breaks the School's expected standard of behaviour, a warning will generally be issued in the first instance and recorded as necessary. Sanctions will be taken which are age appropriate, but for most pupils a warning is sufficient and the problem is normally rectified. However, if a warning is not heeded, or the offence is of a more serious nature, staff will then initiate the appropriate sanctions, which are age related and clearly outlined below. Procedures do allow for exclusion (fixed term and permanent) but it is recognised that, in the preparatory school, these will be unusual and rare occurrences.

Neither corporal punishment nor threat of corporal punishment must be administered anywhere at Highclare School. The School has an unshakable commitment to the safeguarding of all pupils, regardless of their own conduct and behaviour.

Behaviour related to a special educational need or disability: The School will make reasonable adjustments for managing behaviour which is related to a pupil's special educational need or disability. Where exclusion needs to be considered, the School will ensure a disabled pupil, or one with a special educational need, is able to present his or her case fully where their disability or special educational need might hinder this.

Records: Administration of major punishments are recorded in the School Management Information System, with the name of the student concerned, the reason for the punishment, and the name of the person administering the punishment.

PREPARATORY SCHOOL SANCTIONS

EYFS SANCTIONS

Occasionally, unacceptable behaviour (including bullying, biting etc) may occur and this is managed by discussion of school rules:

- We are sensible and helpful
- We are kind and friendly
- We are careful and take care

Individual children's inappropriate behaviour will not be referred to but discussed in a general way. For example if a child has been unkind or aggressive towards another child. For more serious behaviour incidents parents will be invited in to discuss the problem and if appropriate an individual behaviour plan will be produced in consultation with the child's parents. In serious cases, a child may be sent home. It should be noted that physical intervention is allowable to avert an immediate danger of personal injury to, or an immediate danger to the property of, a person including the child. The school is required to inform the parents of such intervention on the same day, or as soon as reasonably practicable. Such occasions should be recorded in the school's behaviour log.

Exclusion: If all else fails and the disciplinary code is not followed exclusion (permanent) will be the final sanction. (see below)

KS1 and KS2 SANCTIONS

If behaviour is inappropriate for pupils at this level (3 strikes), the following sanctions are used:

- Verbal reprimand and warning
- Use of the Going for Gold Scheme - movement to Amber then Red.
- Red will mean 15 minutes of lunch playtime missed. This involves a discussion about their behaviour and a reflection sheet being completed. Signed by the pupil and their parent.
- Refer to the Assistant Head / Deputy Head of Preparatory School or Head of Preparatory School (for continued inappropriate behaviour)
- Direct contact with parents
- Close monitoring and observation by staff
- Feedback to parents
- Head of Preparatory School's Detention

Exclusion: If all else fails and the disciplinary code is not followed exclusion (permanent) will be the final sanction. (see below)

Dealing with inappropriate behaviour:

All adults in school are responsible for the behaviour of children in school. Staff should be reflecting on pupils behaviour regularly, looking for patterns and possible triggers for poor behaviour and choices. Staff should seek advice if there are children who regularly display poor behaviour in lessons. All adults in school are responsible for supporting the pupils into making better choices. Communication with parents plays an important role in this.

When issuing a sanction:

- Be understanding but firm
- Explain the need for the consequence
- Get the child to explain why the decision for a consequence has been made
- Demonstrate a fairness, don't expect them to like it but explain the reasoning
- Take time to discuss choices with pupil and communicate sanction to parents

Note:

- All staff have a collective responsibility for monitoring good standards of behaviour.
- School rules in line with the Highclare Preparatory School Code of Conduct / Behaviour Contract (see appendix at end of policy) should be discussed and displayed at the start of the year.
- Inappropriate behaviour will be dealt with in a variety of ways.
- Inappropriate behaviour should be discussed with the child so that they understand why it is unacceptable (class teachers and/or other staff).
- General behaviour / discipline incidents are initially dealt with internally by class teachers or, if necessary, by a more senior member of staff.

General Discipline Procedures (within classroom/teaching environment):

Stage One	First Offence	Verbal warning with the reason clearly explained to the child
Stage Two	Amber Card issued	Child's name recorded on Going for Gold display. Child informed next stage is a Red Card (time out)
Stage Three	Red Card (time out of the situation)	Behaviour reflection sheets completed during lunchtime (15 minutes)
Stage Four	Child referred to Senior Manager	If all of the above are unsuccessful, the pupil will be sent to a senior manager for further sanctions. At the end of the day the slate is wiped clean and sanctions are not carried over to the next day. If sanctions are administered in a lesson outside the classroom, the form teacher should be notified.
Stage Five	Parents notified by Assistant / Deputy or Head of Preparatory School	Head of Preparatory School Detention

- Other Sanctions may need to be used as and when required. These include:
 - withdrawal of a privilege
 - missing a lunchtime play
 - referral to the Assistant Head / Deputy Head / Head of Preparatory School
 - An individual Behaviour Plan (IBP) and associated targets are instigated – resulting in the awarding of golden time when targets are achieved.
 - Monitoring and review meetings
 - Observation, if appropriate
 - Pupil kept off the playground for a given amount of time
 - If the incident resulted in another child being injured above normal day to day expectations, then both sets of parents are informed. This is done on the day that the school is made aware of the incident or injury
- Incidents are recorded on CPOMS (Child Protection On-line Monitoring System)
- Persistent/serious behavioural problems would be discussed with parents/carers and sanctions and procedures to improve behaviour agreed. Outcomes will be monitored and reported on at monthly senior leadership team (SLT) feedback meetings.

Administered by Head of Preparatory School only (following consultation with Head):

- **Exclusion (fixed term):** If after several warnings for persistent/serious behavioural problems and after sanctions have been used and there is no improvement in behaviour, then parents could be notified in writing that exclusion (fixed term) will follow.
- **Exclusion (permanent):** Should the behaviour of a pupil be such that it brings the school's reputation into serious disrepute, or persistently flouts the Code of Conduct despite the implementation of the above sanctions, then that pupil's parents may be asked to remove their daughter / son from the School. This would usually be the last resort after a range of measures have been put in place to improve the pupil's behaviour. However, this sanction may also be applied in the event of a very serious isolated incident. Prior to this step being taken, the Head will discuss this situation with the Chair of the Board of Governors. The parents of the pupil may appeal against this decision in which case the appeal will be treated as stage 3 of the complaints policy. See complaints policy.

SENIOR SCHOOL SANCTIONS

Sanctions will be applied where pupils do not meet the expected standards of the senior school.

Minor behavioural infringements

During lessons teachers will follow a 3-point behaviour plan:

1. A warning will be given.
2. If behaviour does not improve, a behaviour point will be recorded on SIMS.
3. If behaviour persists, a senior member of staff will be notified and the pupil will be removed from the classroom. A lunchtime behavioural detention will be issued.

Behaviour points may also be issued where lack of effort results in inadequate classwork.

Outside of lesson times minor behavioural infringements and breaches of the school Code of Conduct (which is included in this Policy) will attract behaviour points, or lunchtime behavioural detentions, as appropriate.

Lunchtime behavioural detentions (20 minutes)

Lunchtime behavioural detentions are issued for infringements as detailed above and to any pupils who attract 5 or more behaviour points in a month. These are supervised by the key stage coordinators and parents are notified.

Homework infringements

For pupils who fail to meet homework deadlines, or do not complete work to the required standard, a behaviour point will be recorded on SIMS. Further homework infringement will result in a Homework Detention, run weekly on Wednesdays. Parents will be contacted if concerns continue and a record made on CPOMS.

Persistent or more serious infringements

Persistent behavioural infringements or more serious breaches of the Code of Conduct, including use of mobile phone / smart device or similar or chewing gum, will result in further sanctions as described below.

Head's after-school detention (1 hour)

In addition to behavioural infringements, this detention will be issued to any pupil for breaches of the Senior School Code of Conduct such as mobile phone / smart device or similar infringements, chewing gum or the accumulation of 5 or more late marks in a half term or two or more detentions have been issued to a pupil in any one week. These are supervised by a senior member of staff and parents are notified by letter in advance.

Daily reports

Pupils may be placed on daily report where academic work or behaviour causes ongoing concern. The Deputy Head of Senior School: Academic will meet with them on Friday to monitor and parents are asked to check and sign the report card each evening.

Reports include: punctuality, department (subject), form, KS3 and Deputy Head. Each report is typically for two weeks.

Behaviour contract

In the unusual event that a pupil does not respond to the above sanctions and is persistently causing behavioural difficulties, or bringing the school into disrepute, a school Behaviour Contract will be drawn up in consultation with the parents.

Exclusion (fixed-term)

After several warnings about breaches of the Code of Conduct, or in the case of a 'one off' serious breach, a pupil will be excluded from school for one or more days. In some circumstances a reverse exclusion will be applied (pupils are supervised in school for one or more days during the holiday period). Parents will be informed of this by the Deputy Head (Pastoral) of Senior School. The details will be placed on the pupil's personal record.

Exclusion (permanent)

Should the behaviour of a pupil be such that it brings the school's reputation into serious disrepute, or persistently flouts the Code of Conduct despite the implementation of the above sanctions, then that pupil's parents may be asked to remove their daughter / son from the School. This would usually be the last resort after a range of measures have been put in place to improve the pupil's behaviour. However, this sanction may also be applied in the event of a very serious isolated incident.

Prior to this step being taken, the Head will discuss this situation with the Chair of the Board of Governors. The parents of the pupil may appeal against this decision in which case the appeal will be treated as stage 3 of the Complaints Policy. See complaints policy.

Sixth Form

Students in Sixth Form have their own Sixth Form Aims as stated in the 'Sixth Form Student Guide'. They are not part of the house point system but have their own sanctions appropriate to their age and personal development.

Students may have privileges withdrawn (for example the removal of iPads or the flexibility of having time set aside for 'private use' outside school restricted).

Serious or persistent breaches of good behaviour should follow the above guidelines. In all cases, the breach should be discussed by the Head of Sixth form (KS5 Coordinator) with parents and a plan drawn up to curb future behaviour. Exclusion (fixed term or permanent) should be dealt with by the Deputy Deputy Head of Senior School: Pastoral (Pastoral) in conjunction with the Head. .

Use of restraint: Any use of restraint by staff will be by reasonable and non-injurious means, and will only be used when immediately necessary and for the minimum time necessary to prevent injury to self or others or very serious damage to property. Where restraint is used by staff, this is recorded in writing using CPOMS. See Care and Control Policy

We follow the non-statutory advice 'Use of Reasonable Force – Advice for Headteachers, Staff and Governing Bodies' (Dept of Education July 2013) and have regard to it when use of physical force is deemed necessary.

Complaints about use of force: All complaints about the use of force will be thoroughly, speedily and appropriately dealt with in accordance with procedures for dealing with malicious allegations against school staff.
